Dear Mr. Kesselman:

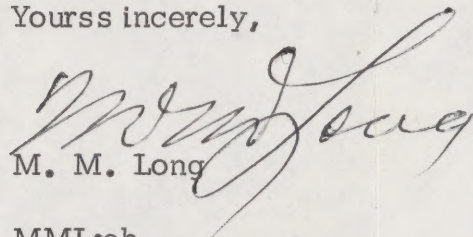

Your letter of December 30th evidently crossed mine with check for \$600 in the mail.

I am leaving in the morning for Richmond to attend the special session of the General Assembly. I will return home approximately once every two weeks. You can write me at Richmond in care of the State Senate or to St. Paul and the mail needing prompt attention will be sent to me in Richmond.

I notice you have sold the 1861-D. If you do not object, I would like to know the condition and the price you received for it. I have been offered two or three recently but I thought on the high side.

With best wishes for a Happy and Prosperous New Year, I am

Yours sincerely,

M. M. Long

Dear Stan :

I received your letter of Jan. 27th in regards to the trade for your 1920-S. Double Eagle which according to you is the very best to be known of and comes from a famous estate and from around my area hereabouts.

You mention in your letter that I send some U.S. gold coins or the common Canadian coins and I would like to know as to whether you mean by that remark that it is O.K. with you to have me send you my average UNC Canadian Dollars from 1949 to 1966 together with the 40 of the 1968 Canadian PROOF-LIKE Mint Sets and also the 30 of the Canadian NO ISLAND Dollars in PROOF-LIKE condition and several other Canadian coins. If such is so, then in that case I will first make up the package of the above Canadian coins ?

I just want to make sure that your remarks for me to send you the common Canadian coins is for me to send you the silver coins of what I herewith list for you as I want to be sure that is what you mean.

Yours very truly,

Felix J. Polek

P.S. You could let me know from whose estate does the 1920-S Double Eagle come from ? I am sure that I deserve to know and I do hope that same is a genuine U.S. coin.

Dear Stan :

Enclosed find my three (3) gold pieces in lovely condition of 1889-P. of the \$ 2.50 - \$ 5.00 and \$ 10.00 denominations for your allowance towards my purchase of your 1920-S. Double Eagle, which you describe as a truly BU specimen and according to your letter, this specimen is from the Gimbel estate of Philadelphia and the finest that you had so far acquired.

I feel certain that I should have an allowance of about \$ 1100.00 towards the 1920-S. Double Eagle and my one and only interest is that you claim the 1920-S. Double Eagle as a truly lovely coin, and I only hope that it is NOT nicked up or scratched and the nose on the face of Liberty is not broken and mashed nor the date with the mint mark, for I did see several such specimens. Too bad that you cannot accept from me at least the BU 1914 \$ 5.00 gold piece of Canada ?

Will be looking forward to your letter and comments.

Yours very truly,

A handwritten signature in blue ink, appearing to read 'Felix', written over a horizontal line.
